Looking for a great school ?

**Do you have family in the West Edmonton, Spruce Grove, Stony Plain
area?**

Do you want to gain an appreciation of your cultural identity?

Do you want a school where RESPECT is the cornerstone?

Do you want teachers that value your individuality?

Mother Earth's Children's Charter School (MECCS) is Canada's only Indigenous Charter School. Located just 35 minutes southwest of Stony Plain, Alberta, MECCS is located on the banks of the North Saskatchewan River in the former Saint John's School of Alberta facility just across the Genesee Bridge. Our remote educational site is surrounded by Mother Nature and offers a unique outdoor cultural education program. MECCS Athletics is home of the 2009 Jr. High Girls Treaty 6 volleyball champions. MECCS teachings are hands on, experiential based, child centred, and follow the Alberta Ed curriculum.

MECCS is now taking pre-registrations for Kindergarten to Grade 9 for
2010-2011!

Registration Forms available on our new website at www.meccs.org or call
780-702-7531.
